What do
you mean by
that Kid?

Hey, Addy...
Are you really
planning to run
away from
home?

But mother
wants us to
meet him.

That man
is coming in
the morning!
I definitely
don't want to
meet
him!

It's not like
I'm running
away.

So,
what are
you going to
do after you
run away?

Anyway,
I don't
want to!
If he says
he's our
father, I'm
leaving!

Umm...

Then... do
you have any
plans about
where you're
headed?

ARE YOU
SERIOUS?! IS
THAT GOING TO
WORK...?

I made a
rope with the
bedsheets!

じん

Well...
I can't leave you
alone, so I'll go
with you... but
how will we get
down?

Knight's & Magic

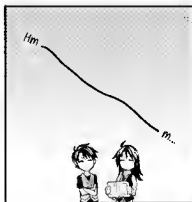

CHAPTER 2 "LET'S PLAY WITH FRIENDS"

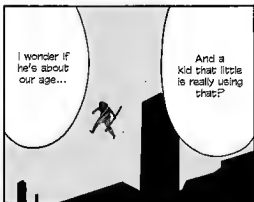

Hm

m...

I wonder if
he's about
our age...

And a
kid that little
is really using
that?

Well...
I think you're
right.

This is kind
of getting
me excited.

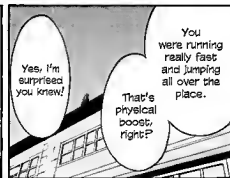

I wonder
if he'll come by
here tomorrow-
too...

More
importantly,
what happened
to running away
from home?

Isn't this
more interesting
than that?!

I'm
Adeltrude.

I'm Archid!
And this is my
younger twin
eister...

So
cute...!

Y-YOU
WERE A
GIRL?!

But so
cute!

Seriously?

I hear that
a lot, but
I'm a boy.

My name's
Ernesti.

Yeah!
That, see you
tomorrow.

This isn't
something I can
teach you in one
go, so I'll explain it
all again another
day.

And
at the same
time...

But because
of the "cost",
I'm training to
activate it only
around my feet
in an efficient
manner to
conserve
mana.

It's
true that I'm
using physical
boost.

*TL note. Kanyi is "necessary mana".

"Re-
compose
scripts"...
Does...

"Optimize"
...? What's
that?

Well in
my case, I
recompose
scripts to
"optimize"
them.

Yes.

Does that mean
you restructure
magic itself when
you use it?

Because I've
been doing it
from before.

Yes, well...
"restructuring
magic" is my
specialty.

Hey, hey...
I've never
even heard
of anything
like that
before...

*TL note. Programming.

You can
call me Kid!

Addy
for me.

...Then,
call me
Eru.

No,
nevermind... All
right, shall we
begin?

?

Speaking
of which, you're
the first friends
I made here.

SEVERAL MONTHS LATER

It looks
like you two have
pretty much gotten
the hang of it.

No,
no, I get
a sense of
satisfaction
teaching
you.

But as
expected, we
can't do it as
well as you,
Eru...

That's...

Oh?

And you
two are quick
to understand
the controlling
formulas which
connect the
basic formulas.

Heh

GIVE ME
BACK MY
HAMMER!!

Haa

Hey!
Blockhead!

DAMN
IT...!

Ha
ha
ha!

Let's go!

Wait...
Eru-kun?!

They are!
Let's help
him!

Eh?

Are they
picking on him
again because
he's slow?

Look, it's
the dwarf,
Batson.

They're
the worst!

So...
what now?

ENGI-
WHAT?!
JUST
PUT ME
DOWN!

Because
you're from
a family of
blacksmiths,
as a fellow
"engineer",
I can't just
leave you
be.

WHAT?!
WHAT ARE
YOU TALKING
ABOUT?!!

Already...?
We're not
that far
along yet.

We'll maintain
this pace and
keep running.
You two, please
toss us up with
air bullets.

.....

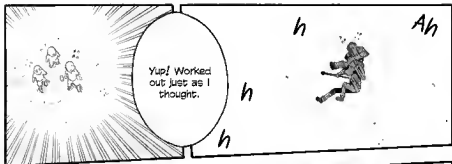

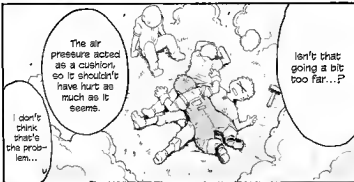

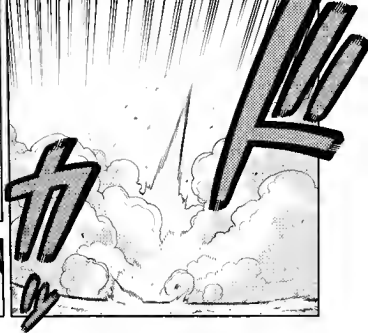

Don't worry.
You two can
do it.

...This
guy.

...You
want to go
to knight
school to
pilot that,
right?

Yee!
That's
right!

Of course!
They're my
"objective"!

You really
love Silhouette
Knights, don't
you?

That's the
reason I'm
here.

For so long,
I was in love
with them.

For so
long...

...Making
it out to
be such a
big deal.

I won't spare
any effort if
it's to pilot a
Silhouette
Knight!

I'd
feel more
confident
with both
of you with
me!

I welcome
it with open
arms! I feel like
I'll be able to
enjoy my school
life!

MORE
IMPORTANTLY,
I CAN'T POSSIBLY
BE APART FROM
SOMEONE AS
CUTE AS YOU,
FIN-NN!

W-Well...
you like to be
reckless, so
someone has
to watch out
for that.
